Retention Schedule

The Vale of Glamorgan Council Retention Schedule has been based on the model “Retention Guidelines for Local Authorities” as produced by the Local Government Group of The Records Management Society of Great Britain (version 2003.1) and endorsed by the Keeper of Records at the National Archives.

The purpose of the schedule is to provide guidance on the necessary retention period records are to be retained after their administrative use is concluded. This schedule applies to both paper based and electronic records.

The schedule should not be seen as a static document and shall change as circumstance dictates. The responsibility of ensuring that the information within is current lies with the Director of Legal, Public Protection and Housing Services
